

FINLABS

Your trust, Our financial expertise

WHO ARE WE?

We are financial services consultants providing the best suited financial advice, taking care of your financial requirements and catering to both individual and small and medium enterprises.

At FinLabs, we lend through verified channels of multiple banks and finance companies within our network. Our services aren't limited to tangible loans, but also revolve around well researched consultation by our financial expertise in providing the best fit financial solutions. Retail loans to corporate lending, we have all the varied financial needs covered by our services.

The promoters, Vikram Rao and Suryakant Khandelwal are both ex-bankers with collective experience of more than 35 years and bring to the table the expertise in lending across multiple financial products in both personal and institutional domains.

OUR VISION AND MISSION

We are here to provide a holistic view to cater to your present and future financial needs. Our aim is to go beyond lending and create strong client relationships and most importantly creating sound financial decisions with our clients and build trust amongst them.

VISION-

We aim to set the bar for excellence in lending by continually meeting and exceeding our clients' expectations.

MISSION-

To offer products and services tailored to our client's unique needs with the most competitive offerings, while providing a better client experience and eventually taking care of their holistic financial requirements across their lifecycle. FinLabs Management Services LLP aims to be a significant lending player with footprints across multiple geographies.
